

Athena

ATHENA - DESIGNED BY PAUL ROGERS DESIGN STUDIO

At first glance, Athena enchants with its understated beauty. Its clean lines and uncomplicated silhouette make it a perfect fit for both modern and classic interiors. The sleek design is defined by flowing curved arms and a gently sloping backrest.

Making sure that Athena is crafted in a durable way... The seams and stitching are executed with precision, adding both aesthetic value and structural integrity to the sofa.

Whether you require a cozy two-seater for an intimate setting, a standard three-seater for everyday comfort, or a spacious four-seater for entertaining guests.

MATERIAL & CONSTRUCTION

Seat and back frame made in solid beech wood. Back frame is covered with coldfoam filling and wadding. Seat is made with zig-zag springs, felt, cold-foam and wadding. The module is upholstered in high-quality textiles. Modules are kept together with connecting metal brackets.

CARE & MAINTENANCE

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.
