

Ella

ELLA - DESIGNED BY PAUL ROGERS DESIGN STUDIO

Ella sofa seamlessly weaves together the essence of both traditional and contemporary designs, creating a harmonious blend that transcends eras. Each curve and line of this classic piece speaks volumes about sophistication while embracing the warmth of comfort in its rounded square shapes.

Suspended in the air by a sleek metal base and rounded feet, it achieves an elegant, airy look without compromising on the grounded, sturdy feel essential for a truly inviting seating experience. Meticulously crafted with precision and care, the Ella Sofa stands as a testament to enduring quality. Its solid frame, meticulously engineered for stability and lasting durability, ensures that this sofa becomes an integral part of your home for years to come.

MATERIAL & CONSTRUCTION

Seat and back frame made in solid beech wood. Back frame is covered with coldfoam filing and wadding. Seat is made with zig-zag springs, felt, cold-foam and wadding. The module is upholstered in high-quality textiles, with a thin lining of down underneath. Modules are kept together with connecting metal brackets.

Different upholsteries may have different looks, and some fabrics may wrinkle slightly around the curved seat.

CARE & MAINTENANCE

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.
