Material & construction

Upholstered seating and back.

Different upholsteries may have different looks, and some fabrics may wrinkle slightly around the curved seat.

Care & maintenance

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.
