

# Kai

## **KAI** - DESIGNED BY PAUL ROGERS DESIGN STUDIO

Embrace versatility and style with the Kai Modular Sofa, a centerpiece of adaptability and elegance. This sofa is a testament to timeless design, effortlessly fitting into a wide range of interior styles, from the sleek lines of contemporary decor to the simplicity of Scandinavian design.

The standout feature of Kai is its thick arms and back, offering a luxurious and inviting appeal. These elements are not just visually striking but also provide unmatched comfort and support, perfect for relaxing at the end of a busy day.

What truly defines the Kai is its modular nature. This sofa can be customized in various depths and sizes, making it an ideal solution for any space, be it a snug studio or a spacious family home. The ability to reconfigure the sofa to suit your changing needs and spaces adds to its practicality and appeal.

## CUSHIONS

The cushions for this sofa come as they are displayed on the module images in this fact sheet.

The size of the back cushions is 50X50 cm.

## MATERIAL & CONSTRUCTION

Seat and back frame made in solid beech wood. Back frame is covered with coldfoam filling and wadding. Seat is made with zig-zag springs, felt, cold-foam and wadding. The module is upholstered in high-quality textiles. Modules are kept together with connecting metal brackets.

## CARE & MAINTENANCE

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.
