CUSTOM SHAPE RUG TEMPLATE

Use this template to draw the desired shape and size of your custom rug.

Each square represents 10 × 10 cm.
The full template represents an area of 500 × 500 cm.

Simply draw the outline of your desired rug shape by following the grid.

Maximum width: 500 cm
There is no maximum length.

If your rug is longer than 500 cm,
please contact the Imara team for a customised template.
