Table top possibilities

Material & construction

Metal leg combined with a ceramic/veneer tabletop.

Ceramic and veneer tabletop are combined with a varnished mdf wood for stability and sound-absorbing reason.

Care & maintenance

Clean the table with a damp cloth. If necessary, use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquids, grease etc. should be removed straight away.

Assembly

Not preassembled.

Tabletop must be mounted on legs with the tools that are included.
