PILLAR - DESIGNED BY CAS MOOR

Inspired by how Greek columns or pillars support many architectural structures, the Pillar table collection was created. The legs provide a solid base in wood to brace the tabletop. Available to provide a warm contrast with a Mortex tabletop and ceramic or go for extra natural look combining it with a wooden top.

Material & construction

Veneered leg combined with a ceramic/veneer/mortex tabletop.

Ceramic and veneer tabletop are combined with a varnished mdf wood for stability and sound-absorbing reason.

Care & maintenance

Clean the table with a damp cloth. If necessary, use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquids, grease etc. should be removed straight away.

Assembly

Not preassembled.

Tabletop must be mounted on legs with the tools that are included.
