| F | Seat depth   | 47 cm |

## Material leg possibilities

Black metal      Bronze metal

## Material & construction

Powdercoated metal frame with upholstered seating and back.

## Care & maintenance

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.

## Assembly

Preassembled
