Evi metal

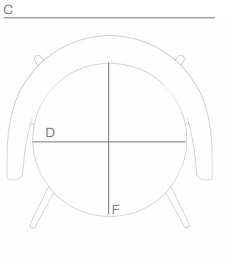

EVI METAL - DESIGNED BY PAUL ROGERS DESIGN STUDIO

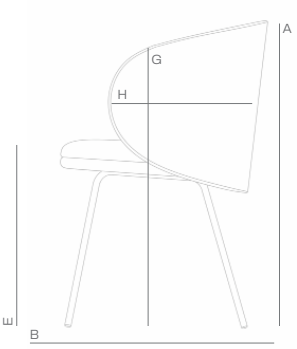

Meet Evi chair—a harmonious blend of form and function designed to elevate your seating experience. The distinctive feature of the Evi chair lies in its gracefully curved backrest, seamlessly flowing into a luxuriously soft, double-rounded seat.

G	Arm height	73 cm
H	Arm width	42 cm

Material leg possibilities

Black metal

Bronze metal

Sand metal

Material & construction

Powdercoated metal frame with upholstered seating and back.

Care & maintenance

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.

Assembly

Preassembled
