Material leg possibilities

Black metal

Bronze metal

Sand metal

Material & construction

Powdercoated metal frame with upholstered seating and back.

Care & maintenance

For textile upholstered versions: In case of stains, we generally recommend removing non-greasy stains by carefully dabbing with a lint-free cloth or sponge wrung out in clean warm water. If necessary, clean by dabbing with soapy water made with a little dish soap. Finally, dab the surface with clean water.

Assembly

Preassembled
